

THE COMPLETE LIST OF CONTACTS FOR SELF PUBLISHING

www.tckpublishing.com

In this document, you'll find my personal list of contractors I have worked with or who come highly recommended by fellow authors and publishers. They are NOT employees of TCK Publishing and I cannot guarantee their work in any way. Always get at least three (3) bids for any project, do your research, and make wise business decisions based on your own judgment and professional advice.

If you do choose to work with any of these people, please be kind to them, treat them professionally and with respect, and honor your agreements.

GENERAL EDITORS

Sherrie Arnoldy - dolbyduranduran@yahoo.com

Ebook Editing Pro - Christie ebookeditingpro@gmail.com

Lesley Dahl dahlworks42@gmail.com

PROOFREADING SPECIALIZED EDITOR

Lucia Brown labrown@comcast.net - she specializes in proofreading and does amazing work. Her rates are a bit pricey but she's incredibly meticulous.

COVER DESIGNERS

Clarissa \$75 per ebook cover, \$100 per print <http://www.bookcoversale.com/>

Angela Harper allcreativenow20@gmail.com

Jovani Jovanirosetti@gmail.com

Taylan Demir taylandemir@gmx.net

Kyle kyle@milkjugmedia.com

COVER DESIGNERS FROM FIVERR.COM

Note: These are some of my favorite designers I've used to design good covers from Fiverr.com. They do not ALWAYS create amazing covers, and sometimes I just scrap their work. But for only \$5 each, you could hire several designers from Fiverr and get several mock-ups very cheaply before you pick your final cover.

GHOSTWRITERS

Saphia Lanier copywriter319@yahoo.com - \$500 to \$1,500 for 10,000 to 60,000 words from audio recordings. Saphia is reliable and does a good job but you would need to hire your own editor as well or edit her work yourself.

Jason Brick brickcommajason@gmail.com - \$2,000+ for fully completed books. Jason does the best work of any writer I've seen, and he's incredibly fast. He can write up to 60,000 words in a day (not all in one book usually). You wouldn't need to hire an editor or do any other work. You might want some slight revisions here and there, and he'd be happy to do them quickly for you.

Libby Golding lgeditingservices@gmail.com \$20/page for ghostwriting. I have never worked with her personally, but she was referred to me by a guy who's a phenomenal writer and business man, and several referrals I have sent her way have been very happy with her work

AUDIOBOOK PRODUCTION.

Archangel Ink is run by Matt Stone and Rob Archangel. They charge very reasonable rates for full-service, professional audiobook production. Email Rob@ArchangelInk.com

PAPERBACK FORMATTING

Michelle Booth michelleboothauthor@gmail.com She does great work on formatting paperback books for print with CreateSpace and Microsoft Word.
